**Re: Confirmation that INKULULEKO has a partnership with Nathaniel Nyaluza High School**

This serves as a confirmation of the partnership between INKULULEKO and Nathaniel Nyaluza High School in the form of tutoring our learners. Also, donations of educational material such as WIFI and laptops for learners to have virtual lessons with their tutors and organising Career Day for our Grade 12 learners. This partnership has shown a great improvement in learner performance and their behaviour at large since they motivate learners.

It is a great honour for the school to have such a highly professional NGO in our disposal and I recommend them for any organisation they want to have partnership with.

Yours in Quality Education

M Kleyi (Principal)
