

**EXPERIENCE,
LEARN &
EMPOWER**

TRIP OVERVIEW

Escape for an exciting, inspiring trip to warm, sunny South Africa in 2022. Join Inkululeko to work with South African high school students in Makhanda (Grahamstown) to build and enhance a social enterprise, learn from human rights activists, immerse in local culture, and enrich a life: yours. This is a rich overseas volunteer program and a unique opportunity to undergo a transformative experience.

PROGRAM DETAILS

Participants who join this trip will have an opportunity to engage with and learn from Inkululeko students through purposeful volunteering: tutoring Inkululeko learners and collaborating on a social enterprise project.

Participants will be immersed in the local culture through an array of activities: Xhosa language lessons, interaction with change agents in the Makhanda community, a local-led township tour, and engagement with local artists who sell beadwork, locally sourced fabrics, and other assorted crafts.

Travel with Inkululeko to Makhanda, SOUTH AFRICA

DECEMBER 27, 2021 to
JANUARY 12, 2022

ABOUT INKULULEKO

Inkululeko is a nonprofit organization that works with motivated, young people from socioeconomically disadvantaged backgrounds in Makhanda (Grahamstown), South Africa. We strive to help students finish high school and move onto university, or to finish high school and obtain a skill set so they can be gainfully employed upon graduation.

COST

\$2,850 - International airfare not included

TRIP PACKAGE

The program fee includes accommodation (same gender identifying individuals sharing one room), local guides, Xhosa lessons, all breakfasts and 3 dinners, a trip to a game reserve, pre-departure paperwork (for non-US passport holders, additional paperwork or a visa may be required), basic international medical insurance, in-country transport and airport transfers, and tips. The airports are Johannesburg (JNB) and Port Elizabeth (PLZ), with easy and inexpensive connections to all major cities in South Africa.

COVID & VACCINATIONS

We will not be traveling in a malarial zone with this program. Inkululeko advises all participants to consult with their primary care physician and/or a travel clinic to determine what, if any, shots are needed prior to travel to South Africa. South Africa does require a negative COVID-19 test prior to entering the country as of February 2021.
